REGISTRATION OF INTEREST FOR THE CONSTRUCTION INDUSTRY
BUILDING THE EDUCATION REVOLUTION PROGRAM
ELEMENT 1 - PRIMARY SCHOOLS FOR THE 21ST CENTURY

Building Management and Works (BMW) encourages the construction industry to participate in the delivery of the BER program.

Registration of Interest (ROI) by builders is being sought by BMW to assist with:

- Determining the industry's capacity
- Fast-tracking tender assessment
- Keeping those who register their interest informed of developments with the BER program

NOTE:

1. This ROI process will not pre-qualify builders for BER tenders. At the time of tender assessment, BMW will require builders to undergo a business risk assessment.
2. The ROI process is not a pre-requisite to being eligible for tendering on the BER program.
